"Outlaw" Union Officers Refuse To End Strike; Wholesale Return Of Strikers To Their Old Posts

HITS WILSON POLICY ON MEXICAN SITUATION

WASHINGTON, D. C., April 17.—(By The Associated Press.)—The Senate investigating committee today, declared "any one who supports the Mexican policy of President Wilson is unpatriotic and un-American."

"The peculiar motives which induced President Wilson to adopt the policy of rather lack of policy toward Mexico during the last seven years," said, "arise evidently from the personal passion that all knowledge of all power rests in the executive. I believe that he came to office with the belief that he had a mandate from the American people to reverse all the foreign policies of his predecessors."

Rebels affecting Mexico this had worked great harm "in bringing about the domination of Japanese over Mexico," Mr. Wilson said.

During the peace controversy, the former ambassador said, "the president wrote Article X of the treaty class, and though there are many important sections than it, he has caused widespread disaster by insisting that the whole treaty be rejected rather than let the senate modify that one section."

"As to Mexico, I am informed, that he has already written a plank on the order for the next national platform of the Democratic party endorsing and endorsing a continuance of this policy," the witness continued.

"It cannot be changed."

"Anybody who supports the Mexican policy of President Wilson is unpatriotic and un-American."

PLAN LARGE ALLIED ARMY IN TURKEY

SAN REMO, Italy, April 16.—(By The Associated Press.)—Allied leaders would be called upon to make a series of 50,000 men in Turkey to enforce execution of the terms of the treaty with that country, which was signed at London recently. It is understood that the treaty will be considered by the supreme allied council when it opens its sessions here next Monday.

Agreements that Marshal Foch of France and Field Marshal Wilson of Great Britain will be present, are regarded as indicating that military terms will be called upon by the allied before it decides finally on the draft of the treaty is looked upon as being susceptible to important modifications with a view to removing obstacles to execution.

WILL RETURN EXCESS PROFITS

WASHINGTON—Excess profits of more than \$1,000,000 obtained by wool dealers in transactions during war period when national supply was under government control, will be collected and returned to growers by a bill of markets, department of agriculture, was announced today by the department.

Miss Avis Hughes, daughter of Rupert Hughes, the famous author, is to be one of the attendants at the marriage of Miss Nancy Lane, daughter of Franklin K. Lane, former secretary of the interior.

LAD KIDNAPPED, SKULL FRACTURED, STAGGERS HOME

DANVILLE, Ky., April 17.—(By The Associated Press.)—A boy, 11 years old, who was kidnapped from near his home in Park Place, Danville, last night at about 10 p.m., is in the local county hospital with a fractured skull and in a serious condition.

The lad staggered into his home at six o'clock this morning. His clothing was wet and coated with mud. He was in a semi-conscious condition, and for a time could make no coherent statement.

After restoration had been given he was able to tell his mother the main facts of his abduction and capture. He had been seized by a negro and a white man as he was returning home from the Jesse H. Hume, where he had been to deliver milk and eggs.

He was carried into a corn field and the white man struck him on the head with a hammer. The lad remembered having been handed over a fence and of being in a deep sink-hole a quarter of a mile in the rear of the "Trindle" residence.

This morning when he awoke he was in an old barn a short distance further on. He finally was able to move, and made his way home. The recital was given by him and with great difficulty, details which are lacking are hoped for when his condition is improved.

When physicians had made an examination, they found that his skull was fractured. Immediately he was removed to the hospital.

Willie Trindle is the son of Mr. and Mrs. Marcus Trindle. The father is an employee in the Southern Railroad shops here. The Trindle home is in Park Place, a suburb which is near the Kentucky College for Women.

All night long officers and citizens kept up the search for the boy. A suspicious auto had been seen near the Trindle home about the time of the kidnapping. The lad's disappearance, and the authorities were working on the theory that it had been used to take him away. No one thought of the old barn near the sink-hole, but many sections were carefully gone over.

This morning the hunt was continued, but it is now directed to finding the kidnappers.

It is considered that ransom was not the object of the kidnapping. The father believes that, "comely" at least, he had had trouble with people mean enough to commit the act.

Russ and Jap Troops Battle

ALABAMA, April 16.—(By The Associated Press.)—Heavy fighting between Russian and Japanese forces continues at Khabarovsk, on the Amur river, and casualties suffered by each side are heavy, according to reports received here.

Troops along the Ussuri river branch of the Trans-Siberian railroad, north of here, are all in the hands of the Japanese, but hundreds of Russians are fleeing to the hills, and have again started guerrilla warfare.

Arrests of Russians by Japanese in this city continue, but government buildings are being returned to Russian and the red flag is disappearing.

Grand Lodge Officers Of Insurgents Increase The Original Demands

CHICAGO, April 17.—Hope for immediate settlement of the rail strike here today apparently was definitely lost as soon today, when the grand lodge officers, directors and trustees of the "outlaw" union reiterated their original demands, and added new ones to the list.

I. W. W. NOT BEHIND STRIKE, SAYS WOOD

CHICAGO, April 17.—Major General Leonard Wood, commander of the Central Department, United States army, who returned to Chicago from an eastern speaking tour because of the insurgent strike of railroad workers tonight, said he did not find "any evidence of connection between the railway men's strike and Industrial Workers of the World activities."

General Wood declared he found traffic conditions improving throughout the department.

PALMER'S CHARGES ARE CHALLENGED

WASHINGTON, D. C., April 17.—(By The Associated Press.)—Attorney General Palmer's conclusion that the "outlaw" railway strike was traceable to activities of radicals and revolutionists was sharply challenged in a statement issued by Frank Morrison, secretary of the American Federation of Labor. An independent investigation of strike causes by the railway executives, the statement said, revealed "just a plain, ordinary strike for more pay."

"If there were enough revolutionary power in the United States to create such an outbreak as this," Mr. Morrison said, "the condition would be serious indeed, but there is no such power. The absolute failure of the attorney general to grasp the true situation is amazing."

PITTSBURGH, PA., April 17.—"To-day and tomorrow will see the worst over in the railroad strike," said G. H. Sines, vice president of the Brotherhood of Railroad Trainmen, and leader of the regular organization forces that have been fighting the "outlaw" strike in the Pittsburgh district declared today. All reports he added indicated a general breaking up of the strike forces in this territory.

By The Associated Press

Speedy termination of the transportation tie-up wrought by the unauthorized strikes of railroad workers throughout the country seemed assured today.

Switchmen, yardmen and other employees of the Pennsylvania, Reading and Baltimore and Ohio lines in the Philadelphia district, one of the eastern strongholds of the strike, were returning to work today under orders of their strike leaders.

William Tracy, chief of the Pennsylvania state bureau of mediation who effected the settlement there, said the work order would affect strikers on all lines between Boston and Washington, including those in the New York district as the Pennsylvania strike committee had been authorized to negotiate for all strikers in the east.

The Philadelphia settlement was effected on the basis of a promise from Pennsylvania and Baltimore and Ohio officials that returning strikers would be permitted to retain their seniority ranking and would be free from all discrimination because of their having gone out.

Strikers at Baltimore, another eastern stronghold, also were returning today, having voted last night to end their strike.

In the New York district, railroad officials declared the men were returning rapidly. Whether this was due to the reported all inclusive Philadelphia or the ultimatum of New York railroad managers calling on the men to return by noon today or lose their ranking was not clear.

Reports from all sections of the country indicated that the swing back to work was fast gaining momentum. This was reflected both in the increased amount of traffic handled by the lines and the loss of enthusiasm for the strike apparent in the attitude of many of the strikers.

AMERICANS ARE SAFE

CONSTANTINOPLE, April 17.—(By The Associated Press.)—Through Mustafa Kemal's nationalist government at Ankara, it was learned today that all the American workers in Asiatic Turkey with the exception of those at Hadjin and Sindah, which the Ankara government has been unable to reach by wire, are safe.

G. O. P. Primary In Delaware

DOVER, DEL., April 17.—Delaware's Republican primaries were held today. The state convention will be held Tuesday. Delegates will be elected from every "hundred" corresponding to voting precincts in cities.

The state will send an uninstructed delegation to the national convention.

Deny Mexicans Right To Cross U. S. With Troops

WASHINGTON, D. C., April 17.—Senator Knox, Republican, Pennsylvania, told the senate today that he was informed that the state department had refused the request of Mexican officers for a permit to transport troops through American territory to move against the anti-Carranza forces in Mexico.

WILFUL MURDER CHARGE AGAINST BRITISH PREMIER

CORK, IRELAND, April 17.—(By The Associated Press.)—A charge of wilful murder against Premier Lloyd George was brought to the verdict of the jury in the inquest into the death of Major MacDonagh, a British officer, who was shot last month, which was rendered today.

The verdict also charges Viscount French, lord lieutenant of Ireland, Ian MacPherson, former chief secretary, and several police inspectors, with murder.

German Royalty Fined

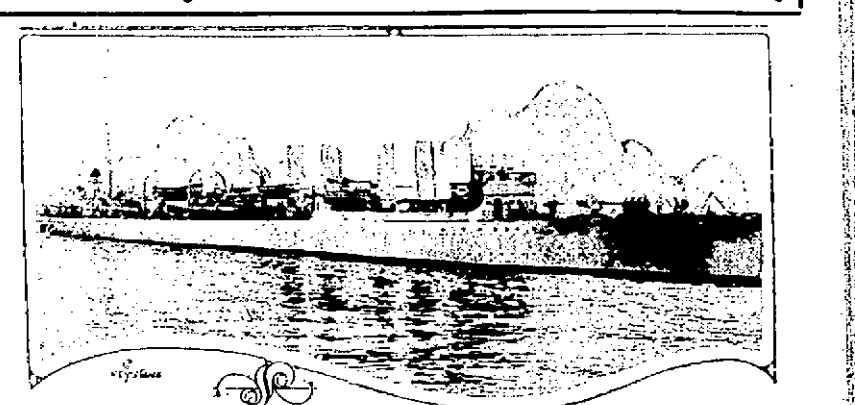

BERLIN, April 17.—(By The Associated Press.)—The emperor and his family were fined 100,000 marks for the disturbance of the night of the disturbances. He claimed, however, that there had been provocation from the members of the French party.

In summing up the case the judge said it had been established by testimony that Prince Joachim and Baron Platen had thrown glasses and candles at the Frenchmen, and that Prince Hohenzollern had hurled a book at them.

Women Denied Right To Primary Vote

COLUMBUS, O., April 17.—Women will not be permitted to vote at the presidential primary election in Ohio April 21. Anti-suffragists today called a referendum on the Reynolds law, which would have permitted the women to vote at the presidential preference this year. The referendum will be held at the November election.

J. H. Bruffel, of Cincinnati, filed the petitions for the referendum with Secretary of State Smith this morning. They were 25,212 names on the petitions.

Petitions were filed from 57 counties. Hamilton county contributed the greatest number of signatures, 15,731. Cuyahoga county was second with 10,633; and Montgomery county third with 6,432. Other high counties were Franklin with 4,518; Lucas, 3,131; Stark, 1,871; Scioto, 1,178; Butler, 1,097; and Jackson, 1,100. Probable was less than 121.

NO AMERICAN ENVOY AT SAN REMO CONFERENCE

WASHINGTON, D. C., April 17.—Italy through Ambassador Arsenauz has invited the United States to send a representative to the allied conference at San Remo and Secretary Cady has promised to try to the matter before President Wilson.

When the allied conference was first called, it was announced that this country would not be represented and some officials believed this decision would not be changed.

British-French Row Settled

MARSEILLES, April 16.—(By The Associated Press.)—Disputes between Great Britain and France relative to the advance of French troops east of the Rhine have been settled, said Premier Lloyd George of Great Britain, who arrived here today. In an interview he expressed gratification that the incident was cleared.

"We won the war by virtue of the unity and cooperation of the allies," he added, "and now to harvest the fruits of victory we must go on. That is what we are going to do at San Remo. Nothing is finished, and we must remain united. The future of civilization depends on the maintenance of amicable relations between France and England."

Blue Denims Gain In Popularity

SAN FRANCISCO, April 17.—The fashions today, carriers telegraphed, were spreading along the Pacific coast from California to Vancouver, B. C., as a protest against the high price of clothing and as an effort to reduce clothing costs.

Members of the editorial staff of the San Francisco Examiner, from assistant managing editor to copy boys, agreed to wear overalls during working hours beginning Monday. At Van Courer, B. C., city employees completed arrangements for an "Overall League" club agreement. The club is composed of all employees of the Salem, Ore., postoffice except carriers appeared in blue denim.

Sharon, Pa., April 17.—An Overall Club formed at Wheatland, near Sharon, Pa., has gone so far in its zeal to protest the high cost of clothing as to impose a penalty upon members for failure to don denim.

A member who fails to wear overalls at all times will be ducked in the Erie canal by his fellows, according to the club agreement. The club is composed of business and professional men.

WILFUL MURDER CHARGE AGAINST BRITISH PREMIER

CORK, IRELAND, April 17.—(By The Associated Press.)—A charge of wilful murder against Premier Lloyd George was brought to the verdict of the jury in the inquest into the death of Major MacDonagh, a British officer, who was shot last month, which was rendered today.

The verdict also charges Viscount French, lord lieutenant of Ireland, Ian MacPherson, former chief secretary, and several police inspectors, with murder.

BIG CROWDS ATTENDING REVIVAL

The revival at the First Baptist church is growing daily in interest. Big crowds have been the rule and the meetings are gaining momentum under the inspiring leadership of Dr. T. H. McAfee. Rev. McAfee took for his subject last evening "The Crucifixion." Luke 23rd chapter, and said in part: "The crucifixion is the most grievous event in the world's history, and at the same time the greatest revelation of God's love and sacrifice. Christ did not die a martyr. He died a Saviour. He did not die a hero. He died a malefactor. He was numbered among the transgressors. He did not die to make men good. He died to make men righteous. Goodness gives us a standing before men. Righteousness gives us a standing before God. Righteousness is a gift of God through Jesus Christ."

Above Flood Stage

The Scioto and Olentangy rivers are now at or slightly above flood stage at all points above Columbus, and are still rising slowly, but the rain having ceased, there seems to be little danger of serious overflow. The Scioto will continue to rise at Columbus and points immediately below for the next few hours, reaching a stage of fifteen or sixteen feet at Columbus and probably passing flood stage at a number of points below in the next day or so. The Scioto river here is rising less than two inches an hour. It was reported this afternoon.

Rail Strike

(Continued from Page One)

who had walked out during the past few days. Passenger service was everywhere reported normal. An extraordinary effort was made to move freight trains stalled at the various tie yards. Empty cars were pushed to the yards and activity was evident at all colleges.

An immediate return to work of striking railroad men on all eastern lines from Washington, D. C., to Boston, was expected by members of the Philadelphia district strikers' committee, who last night ordered all employees of the Pennsylvania, the Reading and the Baltimore and Ohio railroads in this district, who walked out, to resume work at once.

The order was issued by the committee at the conclusion of a conference with William J. Tracy, chief of the state bureau of mediation, and railroad officials, at which it was agreed that if the men returned to work they would retain all seniority rights and that there would be no discrimination or prejudice against them.

The Reading Railway Company was not represented at the conference, but the committee agreed to request its striking employees to return in the belief that it would permit them to do so on the same basis as the other roads.

Men End of Strike in East

Mr. Tracy in a statement said the Philadelphia district committee was empowered to act for the strikers on all railroads entering Jersey City, New York City Long Island and the territory as far east as Boston, and as far south as Washington and that, therefore, the settlement was expected to bring the walkout in that section of the east to a quick end. The statement did not indicate what assurance if any had been given by the railroads other than those entering in Philadelphia, to take back their striking employees on the same basis.

Announcement was made that a committee of five representing the strikers in this section would leave for Washington today to lay their wage demands before the railroad labor board.

Meanwhile preparations were being made today by the railroads here for a general resumption of traffic. The passenger service has been almost normal for several days, but the freight situation is still serious. Every effort it was said, will be made to relieve the congestion as quickly as possible, but with the most favorable conditions, railroad officials stated, it would take several days to straighten out the tangle and get freight movements back to normal.

CHICAGO, April 17.—Today was not by railroads as the time limit for strikers to return to work in several industrial centers in the west, and with substantial deviations of insurgents already reported, an early collapse of the strike movement was believed to be in sight.

Freight moved today in central and far western states on an increased scale and in many sections conditions were rapidly approaching normal. Railroad officials went ahead with preparations to replace strikers who failed to heed the ultimatum to return to work.

Charles F. Clyde, United States district attorney, received information that strike leaders arrested at Chicago for violation of the Lever act, intended to abandon their organizations and either return to work or seek other employment.

All the arrested leaders were at liberty pending their hearing April 23. Those unable to furnish bail were released on their own recognizance.

Withdrawal Lodges Charters

A. F. Whitney, president of the Brotherhood of Railway Trainmen who yesterday withdrew charters of three Chicago lodges of the brotherhood, declared today all other members of the organization remaining on strike would be dropped.

Railroad officials reported a marked improvement in traffic conditions in the Chicago yards.

Major General Leonard Wood, who broke off an eastern speaking tour to return to central department headquarters because of the strike, left last night for Nebraska after announcing he found traffic conditions improving throughout the department. He said army intelligence officers found no evidence of connection between the strike and I. W. W. activities.

Little change in the strike situation in Michigan and Ohio was reported early today. Several hundred thousands of industrial workers remained idle, awaiting the reopening of factories closed by a shortage of fuel and raw materials.

Increasing movement of freight at nearly all points in the far west, was reported by railway officials. Concern was expressed, however, by growers of perishable crops in California at failure of railroads to move refrigerated cars.

A message sent by Governor Stephens of California, to President Wilson, quoted the manager of a citrus fruit growers' association, as saying the organization had 1500 cars of fruit valued at \$10,000,000 on tracks in different parts of the country in danger of serious deterioration.

Strike leaders at Los Angeles were reported to have declined an offer of trying up all passenger service there, allowing only mail and milk shipments to move. At St. Louis freight cars were lifted on five tracks and groups of strikers were returned to work. One thousand maintenance of way men and shop laborers at Springfield, Mo., returned to work, pending action of the labor board appointed by President Wilson.

LOCAL 8 OF L. E. CONDEMNS STRIKE; ENDORSE POSITION OF GRAND CHIEF

S. H. Huff, general chairman of the Brotherhood of Locomotive Engineers was in the city Friday and conferred with local members of this organization. His headquarters are at Broomfield.

Mr. Huff stated to the 'Times' last night that the following resolution had been adopted by the local branch of the B. of L. E. and requested its publication as follows:

At a mass meeting held on the 16th of April at Portsmouth, Ohio by division 511 and 534 of the B. of L. E. with 53 members present the following resolutions were unanimously adopted:

First—Resolved that we strongly condemn the action taken by certain members of the four train service brotherhoods in participating in an unlawful strike that is paralyzing traffic on some of the railroads of the country.

Second—Resolved that we fully endorse the position taken by our Grand Chief Warren S. Stone, concerning this illegal strike, and that it is our purpose to uphold and preserve the sanctity of contract, as well as the honor and reputation of the Brotherhood of Locomotive Engineers for uprightness and square dealing.

Third—Resolved that all members of Divisions 511 and 534 shall do all in their power to discourage this strike and to fulfill our contract with the N. & W. Railway Company.

KAPP UNDER ARREST IN SWEDEN

STOCKHOLM, April 17.—Dr. Wolfgang Kapp, leader of the reactionary revolt in Berlin on March 13, who was arrested at Soderstolpe yesterday, has been in Sweden for a week, having arrived by airplane from Germany on April 10. He shaved off his moustache, but was recognized by a Swedish author.

Kapp spent Wednesday night at Soderstolpe merry-making with a party of Swedish engineers who were not aware of his identity. He seemed in good humor when arrested and admitted he was the leader of the abortive German revolt.

As he is wanted in Germany for a political offense he cannot be surrendered and no demand for his extradition has been received or is expected.

Three Burned To Death

PORT CLINTON, April 17.—Three men were burned to death and two others seriously burned early today when fire broke out in the Matthews Boat Company plant here. The dead men were E. Gove, M. J. Roy and L. Devere, all of New York City. W. Frederick, of Buffalo, was badly burned. The men were visiting relatives and were asleep in a boat house. The house had "Full E. Power" owned in Toledo, was destroyed. Property loss unknown.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substance he called, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and purifying the entire system. They do that which dangerous cathartics does without any of the bad after effects.

All the benefits of natty, sickening, gripping cathartics are derived from Dr. Edwards' Olive Tablets without giving pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of painstaking research, patients afflicted with bowel and liver complaint, with the Olive Tablets are given a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect.

THE MOVIES

EUGENE O'BRIEN in "His Wife's Money" Selznick Pictures.

There is an old saying that, while money cannot buy happiness, it can buy a good imitation. This may be true, but nothing that is not genuine can endure. The imitation soon becomes a thorn of its attractiveness.

In "His Wife's Money," a new Selznick picture, Marion Phillips seeks to buy happiness for herself and husband through the use of her personal riches. Richard Flinn, played by Eugene O'Brien, is too much of a thoroughbred to live on his wife's wealth, and when the two are married trouble follows. When Flinn learns that his wife's money is helping to pay their expenses.

MACCABEES' BANQUET
Monday Night, April 19

The Maccabees of the city of Portsmouth, Ohio, will give a banquet on Monday night, April 19, at the Eastland Theatre. The banquet will be held at 8 o'clock and will be a most enjoyable affair. The Maccabees are a social organization and are open to all who are interested in the welfare of the community. The banquet will be a most enjoyable affair and will be a most successful one. Here is "Gentleman Jim" as you love to see him. A prince among his own people. No other star could play the part.

The Most Famous Man in the World Is As Near You As The Finest Theatre—See James J. Corbett at The Eastland Tonight in "The Prince of Avenue A." Also Comedy and Variety.

There are very few men in this world whose names and faces are as well known in every land as that of James J. Corbett. There have been champions of the ring before and since, but none has achieved the popularity of "Gentleman Jim" Corbett.

Every theatre-goer in the city will have an opportunity to see "Jim" Corbett at the Eastland tonight, where he will appear as the star of the Universal photo drama, "The Prince of Avenue A." This is the first feature production in which Corbett has appeared. It is taken from a play in which the ex-champion formerly appeared on the stage in New York and other cities.

In "The Prince of Avenue A," Corbett appears as Barry O'Connor, a popular young Irishman from New York's east side, a plumber by trade, a politician by choice and a patron of Fifth Avenue tailors.

In addition to this great picture, we are also showing a new Supreme comedy and a beautiful Adventure Scene. Don't miss this big show tonight.

"Gaiety" Coming Here

GAIETY, the noted Hyacinth, who is probably known to many if not more theatre goers than any other performer now before the public, will fill an engagement at Eastland Theatre for two nights commencing Monday, April 19.

It will be remembered that Hyacinth is the man who gained such notoriety when he hypnotized Wm. M. O. Dawson, who was at that time Governor of West Virginia. This is Hyacinth's third year on the road, and he is considered a wonder.

Mr. Hyacinth divides much time to the scientific part of the Art, but never overlooks the comedy features. A few people under his influence will furnish more amusement than a musical show and comedians combined.

At The Arcade Today

Two Westerns and a comedy. The first is "The Prince of Avenue A," a new Selznick picture, which has been a success in all the big cities of the world.

CRITERION QUARTET MADE HIT AT TRINITY

The concert given last evening by the Criterion Quartet at Trinity church, under the auspices of Elder Bros., was indeed an unique affair. The audience whose number included most of the music-lovers of Portsmouth, completely filled the church.

A surprise was in store for all who attended. Not one Criterion Quartet, but two, sang to the spellbound audience. The phenomenon was brought about by means of a graceful cabinet, which stood beside the artists on the stage, and matched their performances, more for color and tone for tone.

The first presentation of this quartet was in the initial number on the program. The Criterion Quartet, standing behind the cabinet, sang in unison with Mr. Edison's recreation of their own voices. Suddenly their lips ceased to move, but their song went on without a break. Slowly it dawned upon the astonished audience that the artists' voices were no longer singing, though they were snapped on. The audience was amazed to find that the quartet was not there at all and only a record of their voices was left.

Knocked Down By Automobile

Arnold Atkins, 17, of 630 Glenwood avenue, New Boston, suffered several serious scalp wounds about eight o'clock last night when he was knocked down by an automobile at Cedar street and Thomas avenue, New Boston. He had just alighted from an east-bound street car and walked in front of the car and into the path of the machine. He was knocked to the ground and one of the wheels of the machine just grazed his head. The young man in the machine took Atkins to Dr. W. C. Cheney's office, where his injuries were dressed. Ed Huffman, of New Boston, was the driver of the auto.

CHILD DRINKS MEDICINE; DIES

Mr. and Mrs. W. M. Harper, Sr., of Sciotoville, received the sad news Friday afternoon the death of their grandson, William Murray, 18 months old son of Mr. and Mrs. W. A. Harper, Jr., of Vanceburg. In some manner, Friday, the child obtained a bottle of medicine and drank it. As soon as the mother discovered what the child had done, she immediately summoned a doctor, and all medical aid possible was rendered to save the child's life, but their efforts were futile.

Besides the grief-stricken parents, one twin sister, Wilma Meyer, survives. Mr. and Mrs. Harper and daughter Miss Elizabeth, and Mr. and Mrs. Ray Smith, of Sciotoville, left this afternoon to attend the funeral, which will be conducted Sunday at 1:20 o'clock from the home. Burial will be made in Mt. Zion cemetery.

**WOODEN HATS LATEST MILLINERY FAD;
IDEA'S DERIVED FROM SHAVINGS ON FLOOR**

Miss Clara Meores wearing her wooden hat.

Add the wooden hat to the novelties in spring millinery styles. The hat is an American creation. N. C. Small, New York designer, obtained the idea from a scene in "Shavings," a new play being tried out on Broadway, which the floor is covered with shavings. The first wooden hat made was presented to Miss Clara Moore, star of the play. Other hats were sent immediately to Paris, where they are making a distinct hit.

Fred Hunter, former big league ball player well known here has been appointed as assistant to Manager Branch Rickey, of the St. Louis Nationals, as coaching the Cardinal pitchers, according to word received by local relatives. Fred will also do some scouting for the club during the season.

LOUISVILLE, KY., April 17.—Alton Clark, was given a rousing reception, and fans have been pulling just as loudly for Nesser to give them a thrill. Louisville is a queer basketball town. The fans here probably are more generous than any in the circuit. They'll pull for superior players, or other teams to lift, and applaud clever feebling plays impartially. Many sympathized with Nesser yesterday after seeing when Anstie robbed him of the triple.

Rain prevented the third game being played between the Cincinnati and Chicago teams yesterday. In fact, it rained in every National and American League city except St. Louis, the Pirates beating the Cubs 5 to 0. Jupiter Playins was on the job for fair clients, 5 to 0.

NEW YORK, April 17—Joe Stecher successfully defeated his heavyweight wrestling title, throwing "Strangler" Lewis of Lexington in three hours and 15 minutes and 15 seconds here last night.

Flarry Wilson stated last night that he had looked two games with Ironton.

SCIOTOVILLE WINS CHAMPIONSHIP

**WOODEN HATS LATEST MILLINERY FAD;
IDEA'S DERIVED FROM SHAVINGS ON FLOOR.**

The Scotsville Scouts played the same team they played in the first game of the season, and have played all through the season. Except for one Mariam Scout, they played the same five men they have played from the start, and it was their team work that won the game.

North and Lavinder were the stars for Troop 17. North made four baskets. All long shots. Lavinder played a splendid game and made eleven points in the second half, and had he played as well in the first half, victory would have been pinned on the banner of Troop 17.

The Barlaim Scouts of the two troops also played; the Seletoville Scouts also winning that game by the score of 32 to 24, making the second double header the Seletoville Scouts have won in the last eight days. Ray Bush starred for the visitors making over half their points. Brown was the star for Troop 17, shooting fouls in fine style. The feature of the game was a long shot for a basket by Krick.

The lineups were as follows:
